

P-touch Cube

The sleek, home
label printer

brother.co.uk/ptouchcube

The compact and stylish Bluetooth home label printer that let's you design and print labels straight from your Apple and Android smartphone/tablet.

The P-touch Cube is a compact and stylish label printer that seamlessly connects to your family's smartphones and tablets via Bluetooth.

Unleash your creativity to produce bespoke labels using the P-touch Design&Print app. Free to download for Android and iOS devices. Add a touch of fun with over 1,000 symbols and emojis, 23 font styles and 61 frames to choose from - the applications are endless!

Fridge, freezer and dishwasher safe, our TZe labels can be used just about anywhere around your home, from the kitchen to the garden shed. Available in a variety of different colours and widths, including specialist glitter and metallic tapes.

- Identify children's clothing using easy-to-apply iron-on labels
- Print customised messages on fabric ribbon for gifts and special occasions
- Free P-touch Design&Print app makes label design quick and easy
- Many pre-loaded templates included for popular labelling applications.

Download the free Brother P-touch Design&Print app

Explore the full range of design options for your custom labels. Simply search "Design&Print" in the App Store or Google Play Store and start creating!
