

Compact, cost-effective printing

The spirit of desktop printing

Durable internal power supply

The CL-S300 features an internal mains power supply which reduces the footprint and avoid cabling issues. At the same time it adds weight and stability to the printer.

GDI

By using the Windows™ Graphical Device Interface (GDI) you can print from any application you like using the Windows™ driver.

Easy operation and media change

The single button and Citizen's unique Hi-Open™ housing make it easy to operate the printer even for non-skilled users.
